Coastal

DIMENSION-POLYANT's line of Coastal woven polyesters are specially constructed for the daysailer and inshore, coastal cruising boat market. A durable, all-around solution for a wide range of cruising applications, Coastal's low material cost enables the sailmaker to effectively build low-price sails that deliver durability and shape-holding performance for weekend sailors. Coastal styles are finished in DIMENSION-POLYANT's MT finish for an easy-to-handle working "hand" with the right amount of bias control. Coastal is available in 36"/91 cm lighter weights and 55"/140 cm for all styles: 140C (3.3 Sm-oz.), 170C (4.0 Sm-oz.), 210C (5.0 Sm-oz.), 240C (5.6 Sm-oz.), 270C (6.3 Sm-oz.), 310C (7.2 Sm-oz.), 340C (8.0 Sm-oz.), 360C (8.4 Sm-oz.), 380C (9.0 Sm-oz.), 430C (10.0 Sm-oz.), and 470C (11.0 Sm-oz.).

sailcloth
technology

Coastal's 500 denier (fill) by 250 denier (warp) construction covers a wide range of applications

Coastal's MT finish balances good bias stability with easy handling

*Tight construction weave
High tenacity yarn*

DIMENSION-POLYANT woven polyesters

A durable, all-purpose fabric for the economy-minded day sailer or overnight, inshore cruiser, Coastal styles help trim material costs for the sailmaker

● **HIGHEST QUALITY, HIGHEST TENACITY YARNS & FIBERS**

The fibers in DIMENSION-POLYANT woven fabrics are engineered from high-quality, high-tenacity yarns

● **CONSISTENT CHEMICAL MAKEUP IN FINISHING**

Continual research and development with the world's best raw materials results in optimized coatings and finishes

● **CONSISTENT SPECS**

Start-to-finish control over the weaving and finishing processes means consistent stretch and firmness specs

● **FLATNESS**

Wide-width looms designed specifically for sailcloth and climate-controlled weaving plant results in flat, straight fabrics

● **IN-HOUSE CONTROL OF DESIGN, WEAVING & FINISHING**

Total control of every step in the sailcloth manufacturing process gives DP wovens consistent top performance

● **WORLD'S LARGEST MAKER OF WOVEN POLYESTER**

DIMENSION-POLYANT has more worldwide woven polyester fabric design, testing, construction, and finishing facilities than any other sailcloth producer
